

Hail Insurance

Hail is one peril that can decimate a portion of your field and leave the rest undamaged. Crop Hail programs cover some of the gaps in your MPCCI policy especially if you use enterprise unit option. Be protected with hail insurance through the Ursa Farmers Cooperative Crop Insurance Team. Can be elected anytime prior to damage.

Basic—gives you best degree of full coverage

DSX5— has a 5% deductible. This gives you solid coverage if a catastrophe occurs, while keeping the premium at a lower cost.

Wind—offers coverage for direct damage due to Green Snap and/or Lodging caused by natural wind. This must be elected by Jun 1, and combined with a hail product.
