

August 31, 2023

Ursa Farmers Cooperative would like to formally notify you of a change in our Seed Department regarding sales. Michael Hicks and Ryan Sharpe no longer represent Ursa Farmers Cooperative. Your cooperative is undergoing a strategic change with you in mind, and we ask for your loyalty as we make the transition. Ursa Farmers has a strong working relationship with our patrons and wants you to know we are vested in seed and your success and will send out additional timely communications with exciting changes.

We are currently busy flying on cover-crop prior to the fall harvest and ask if you have immediate needs that we have not addressed to contact us. We have supply and scheduling application daily.

As you look towards your 2024 spring needs our UFC team consisting of Ken Gray, Kyle Starman, Kellen Krueger, Kent Buckert, and Roger Hugenberg can assist you. Please don't hesitate to call any location and we will match up the right resources to meet your needs. We are a phone call away and here to serve you.

As we approach the upcoming harvest season, please make safety a conscious effort. Your patronage of your cooperative is appreciated and valued!

Sincerely,

Roger Hugenberg
General Manager
